About XAVION 2022

The most awaited flagship sporting event of KCCEMSR is the Xavion'22 event, which incorporates ten sports events spanning over three days - 28-30th March 2022. This is an opportunity for a large number of students to demonstrate their team spirit and revive their competitive spirit. In spite of the fact that this is the first offline sports event in a long time, Kcites are overflowing with enthusiasm.

Events

Cricket

10 teams compete with each other in 11 matches, which provides them with an opportunity to showcase their athletic abilities and develop their strength, coordination, teamwork, and grace.

Football

Football is a game that brutally tests the minds and bodies of even its strongest players. 11 teams compete with each other for 10 matches. Through this tournament, all the teams will learn the importance of team spirit.

Events

Volleyball

11 teams compete for 10 matches. Volleyball helps to strengthen a player's full body and also to enhance the energy levels to improve player's overall well-being.

Badminton

Total estimation of 105 teams, having cutthroat matches with each other. The sport promotes the enhancement of fitness regimes as wonderful alternatives. It develops mental wellbeing and works the entire body.

Events

Kabaddi

Face-off between 11 teams for 10 matches. Players will be tested physically and mentally during these tournaments. As this is a sport based on strength, this will empower the discipline because it will showcase the talent of players.

Throwball

10 teams opposing each other for 8 matches. A sport such as this will ensure that you will learn in addition to building self-confidence and self-esteem. You will develop greater relationships with your teammates as well.

Events

Tug of War

10 teams will play with each other. This game Tug of War is not just about big isn't all about big biceps and strong arms. Its all about muscle and mental endurance, fitness , strength and coordination among the team.

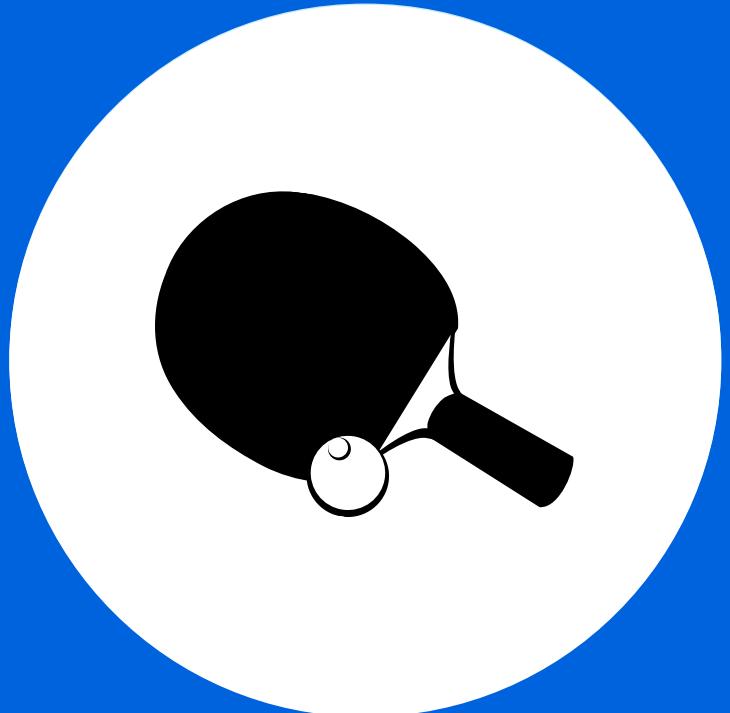

Table Tennis

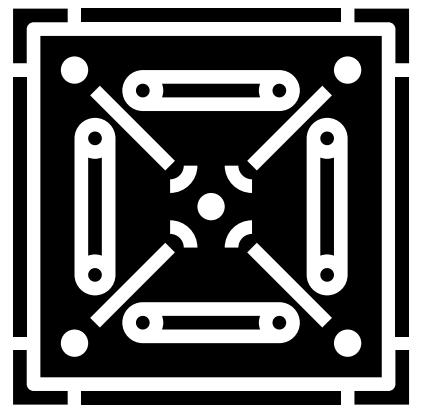

There is no better way to stimulate the mind and body than playing table tennis, and it provides great aerobic exercise and social interaction as well.

Events

Chess

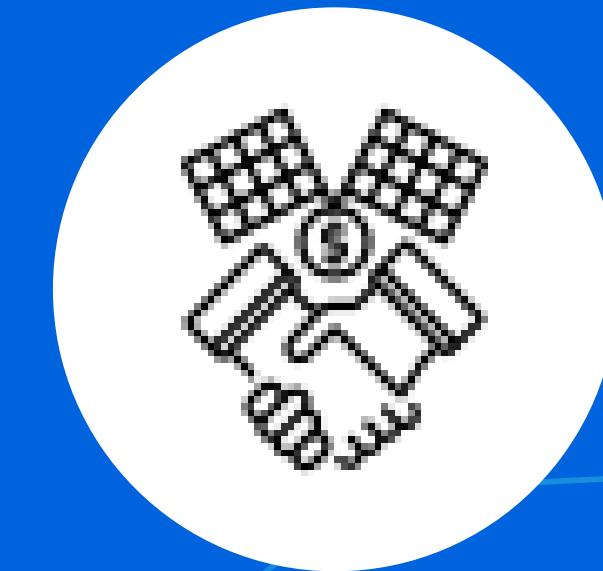

45 teams having face-offs with each other . Chess has the ability to build confidence, develop creativity . The tournament has the capability to test the mind of the player in difficult situations.

Carrom

39 teams will compete with each other. This sport will surely help exercise the player's mind while enhancing concentration and observation skills along with incorporating discipline in a player.
